

Hello!

As some of you know, we started a “Feed the Hurcs” program last summer, which was very successful. We fed several meals to the members and staff at no cost thanks to some generous donations from Alumni and friends of the corps. We are looking to make it bigger and better in 2023!

The Hurricanes administration strives to provide a minimum of one free meal each week during our summer rehearsal season to our close to 100 performers, volunteers, teaching staff, and administration. This meal helps to reduce the member’s financial burden, provides a nutritious meal to fuel them for the rest of the rehearsal day, and gives members time to relax, enjoy, and build friendships, rather than using their “down time” to drive to and from the rehearsal site to purchase food.

We are reaching out to you with the hope that you will consider becoming a food sponsor for the corps this season. Below are some suggested donation amounts but ANY amount is accepted and appreciated!

- **\$200** covers all costs for one meal
- **\$100** covers the main dish for one meal
- **\$50** covers side dishes and desserts for one meal
- **\$25** covers side dishes or desserts for one meal

Donations can be made in person at any rehearsal, sent to our Venmo account at @cthurricanes, or mailed to us at the address on the form below.

Thank you in advance for your help and we hope to see you at a performance this summer! You can find out more about the Hurricanes and our performance schedule at [www.cthurricanes.org](http://www.cthurricanes.org).
